**THE BOARD OF TRUSTEES**

Committees

Generally, trustees will function as a whole body and will not form committees of the Board. Nevertheless, the Board may create Board committees as deemed necessary or useful.

Standing committees of the Board may be created and their purposes defined by a majority of the Board. The Board shall appoint trustees to serve on such committees. The Board may appoint High School Trustees to serve as a voting member and/or chair of any committee of the Board. Trustees serving on committees shall be limited to fewer than one-half ( $\frac{1}{2}$ ) of the Board.
