

### What procedures can I receive at the miCare Health Center?

Your employer sponsored miCare Health Center is proud to offer many common procedures that you normally would be able to receive at any community health center. These procedures include cryotherapy, biopsies, orthopedic injections, ear wax removal, etc.

### When can labs be drawn?

Visit [ebms.com](http://ebms.com) to schedule a time for wellness services to be done.

### What would these procedures normally cost elsewhere?

Procedure	Community Cost to Member	miCare Cost to Member
Cryotherapy of actinic keratosis, seborrheic keratosis, warts	\$228.51	\$0.00
Biopsies of skin lesions, including punch biopsy, shave biopsy and excisional biopsy	\$214.41	\$0.00
Various orthopedic injections of joints, bursa and tendons; including fingers/hand, wrist, elbow, shoulder, hip trochanter, knees	\$254.00	\$0.00
Injection or drainage of ganglion cysts of hands/feet	\$289.00	\$0.00
Excision of problematic sebaceous cysts and fatty tumors	\$620.00	\$0.00
Trigger point injections	\$158.00	\$0.00
Ear wax removal	\$133.67	\$0.00
Peak flow measurement	\$90.00	\$0.00
