Crosswalk Guard Needed for Mondays!

If you are interested, please call the office at 281-6219.

General Duty Aides and Cross Walk Guards Needed – Permanent and Substitute.

We are always in need of substitute General Duty Aides and Crosswalk Guards. Being a small school, it is difficult to fill absences with staff members.

If you are willing to substitute on a particular day of the week, we would love to be able to call you when needed. Our goal is to have a list of subs available for each day of the week — that way we can call down the list to find someone to fill in.

Our General Duty Aides supervise in the lunchroom and at lunch recess from 11-1. Our crosswalk guards work 1 hour in the morning and one hour in the afternoon.

If you have one or two hours free one day a week, once in awhile, and would like to help, please call the office at 281-6219. We would so appreciate it!

For the safety of your child, helmets are required for all students who bike, scooter, skateboard, etc. to school. Students who do not comply will be asked not to ride their bikes, etc. to school.

BREAKFAST AND LUNCH

will no longer be provided free of charge to all students in the upcoming school year. The Federal grant in place for Covid has expired.

Please go to the MealTime Online link on the Rose Park website to apply for free and reduced meals.

ROSE PARK PARENT SUMMER TO DO LIST

- Order First Day School supplies by July 1st if not shopping yourself.

Visit rosparkelem.com for the link to order First Day School Supplies. These boxes of supplies are exactly what your child's teacher has ordered! Purchased supplies will be delivered to the school and will be waiting on your child's desk on the first day of school.

- **IMPORTANT!** Update your contact information in PowerSchool. We will be mailing and emailing information for the start of the 22-23 school year and need your correct address.

- Help each of your children memorize the phone number of at least one parent. (If your child resides in two different households, it is recommended that your child know the phone number of a parent in each household.) **This is a safety issue.**

- Set up a voicemail box if you do not have one attached to your phone number. While teachers may use messaging apps to communicate with parents, the Office relies primarily on phone communication. In the case of emergency, we need to be able to leave a voice message if you are not available. **This is a safety issue.**

- Clear your voicemail boxes before August 22nd, 2022. While teachers may use messaging apps to communicate with parents, the Office relies primarily on phone communication. In the case of emergency, we need to be able to leave a voice message if you are not available. **This is a safety issue.**
